

# BOARD BULLETIN

April 2023, Vol 24

---

## Greetings to the Lake George Charter School Community!

Here is the Lake George Charter School Board news from the meeting on April 18, 2023:

- If you haven't returned the Parent Survey yet, please complete and return it as soon as you can. The information from the survey is incredibly important in helping the Staff, Administration and Board make the best decisions possible for providing the education that you want for your child at LGCS.
- As we plan for staffing next year, it is important to have an idea what class sizes will look like. If you haven't already done so, please send in the Intent to Return form and secure a place for your student(s) next year.
- Did you know that we have a Chess Club at LGCS? Not only do we, but membership is booming. As we continue to grow as a school, we are growing our extracurricular options as well. If you want to find out what is available, or have a suggestion for a new club or activity that you would like to see or help to make a reality at LGCS, please contact Dr. Wade.
- The Board is very excited to announce that LGCS will soon be breaking ground for the new expansion! Things are moving along on schedule to have new classrooms ready for school year 23/24. The support of our parents and the community as a whole is vital in helping to build it though. You can help bring the vision to life in many ways, including talking to friends and neighbors about skills they may be able to offer to assist in the planning and construction, and by encouraging people you know to enroll new students in all the grades

**Board Meetings** – Typically the 3<sup>rd</sup> Tuesday of every month at 5 pm. Work sessions are at 4:30, as needed. Our next meeting is May 16, 2023 at 5pm.
