CONGRATULATIONS!

School Board President Jen Geffre congratulates Naomi Hopkins with a \$100 check and certificate from Florissant VFW for placing second at District with her essay, "How I can show respect to our Soldiers."

CMAS TESTING

Colorado State Testing will begin April 4th. Have your student get plenty of rest and be present and on time for testing! We encourage all students to complete the testing.

SCHOLASTIC BOOK FAIR

We will be hosting a Scholastic Book Fair the week of April 24th. Books will be available for purchase from 4:00 - 4:45 Monday through Thursday. Parents are welcome to come in after school during this time with your student to look at the many new titles available. A book wish list should be coming home with your child soon. This is a fundraiser and also a great way to update your family's reading collection.

FIELD TRIPS

The Academy classes (6th - 8th grades) will be going on a field trip to High Trails on Monday, April 17th. Students will be able to enjoy hiking and teambuilding. Lunch will be included.

The 3rd and 4th graders will be going to see "Annie" on April 14th, and the Kindergarten, 1st and 2nd grades will be going on the 17th of April.

The 5th grade students are planning a trip to the Colorado Springs Pioneers Museum and Ghost Town on May 23rd. Students will need a sack lunch.

Information and permission slips will be sent home when we get closer to those dates.

VOLUNTEER APPRECIATION

We would like to thank the volunteers who dedicated countless hours helping the school in so many different ways. Your time and commitment have not gone unnoticed.

Volunteer Appreciation is April 20th at 3:00. This year's theme is "Bee" lieve There is Good in the World." Our volunteers bring so much "Good" to our school and are invaluable to our students and staff alike.

SPRING PICTURES

The Spring class pictures will be taken Thursday, April 20th. All students will be in their class picture and *only* the students who have pre-ordered or sent in the order form for individual pictures will have them taken separately.

ENROLLMENT 2023-2024

The Lake George Charter School has room in most grades for new students for the 2023-2024 school year. If you know of a family who would like to enroll, please let them know.

JOB POSTINGS

Please check the website for current job postings:

MARCH FUN

March was a busy month with many fun activities. We had the pleasure of hosting Mountain Eire Irish Dancers. They did a wonderful job entertaining our audience. Hat Day is always a popular day. We had a variety of hats in all shapes and sizes. March 2nd was Dr. Seuss Day. The Cat in the Hat visited the classrooms and entertained all the students and staff. March 14th was 100 Day. Can you guess who the 100 year old lady is?
