

Lake George Charter School new Academy Curriculum and STEAM Activities for Grades 6-8.

▶ Enroll now! Lake George Charter School is generating S.T.E.A.M!

❖ Through the creation of partnerships, a new curriculum with excellent teachers, Lake George Charter School's Academy program will be greatly enhanced.

Lake George Charter School
 P.O. Box 420
 Lake George, CO 80827

ADDRESS:

Dear parents and students,
 In the Fall 2022 Lake George Charter School is restructuring its curriculum program in the Academy.

- ❖ Science labs will abound.
- ❖ Our partnership with Falcon AeroLab will expose students to careers heavily influenced in Colorado.
- ❖ We will also be providing services through Pikes Peak Business and Education Alliance CAREER EXPLORATIONS for **internships** in other career fields.
- ❖ We will have LIFE SKILLS wherein students will learn about a wide variety of subjects necessary for them to know as they go out into the world;
 - ❖ Technology, banking, cooking, sewing, welding, wood working, basic car mechanics, etc.

Virtual Village and local homeschool families are welcomed to participate on Friday field trips! Contact Kathleen Ogden at 512-944-3191.
