

Funding Proposals, Grants, and Special Projects

The Charter Board is to be kept informed of possible sources of state, federal and other special funds outside regular **charter school** sources being considered for **charter school** funding for the support of the schools and/or for the enhancement of educational opportunities in the **charter school**.

To insure coordination and avoid confusion in developing proposals and making application for specially funded projects, the **administrator** shall establish standard procedures for the preparation of proposals and their review.

The **administrator** shall submit all proposals for federal aid and special grants to the Charter Board for approval.
