

Board Member Compensation and Expenses/Insurance/Liability

Board members shall receive no compensation for their services. However, upon submitting vouchers and supporting bills for expenses incurred in carrying out specific services previously authorized by the Charter Board, Board members may be reimbursed from charter school funds.

Such expenses may include the cost of attendance at conferences of school boards associations and other professional meetings/visitation when such attendance and expense payment has had prior Charter Board approval.

The Charter Board shall purchase liability insurance and errors-and-omissions insurance to protect its members individually and collectively for claims made against them as a result of their membership on the Charter Board.
