

Lake George Charter School 9th-12th Grade Programs !!

Parents! We are now offering an “online, in-house” 9th through 12th HIGH SCHOOL!

What does this mean?

- ❖ Mrs. Vickie Cooper will be our online, in-house high school instructor.
 - ❖ Mrs. Cooper is a licensed School Counselor and can provide guidance towards further education, scholarships and career exposures.
 - ❖ **Students who need academic help have Mrs. Cooper onsite to assist.**
 - ❖ Students who need encouragement to keep on track will have that boost.
 - ❖ **Students will be able to enrich their academics through concurrent enrollment with Pikes Peak Community College and internships through Pikes Peak Business and Education Alliance as guided by Mrs. Cooper.**
 - ❖ These high school students will be able to participate in Life Skills and other STEM activities for enrichment.
 - ❖ **High school students will be able to participate in Park and Recreation Sports and be in school clubs (like Ski Club).**
- ❖ We will be using Colorado Connections as our online platform.
 - ❖ This is one of the best online high school.
 - ❖ We will have our own classroom in the building!

Celebrating 25 years!
What will the next 25
years be like?

❖ Lake George Charter High School

- ❖ **Families can NOW stay at Lake George Charter for their student's entire school years!**
- ❖ Small classes with individual attention proves success!
- ❖ **Online, in-house curriculum allows for versatility for enrichment activities like internships, concurrent enrollment studies.**
- ❖ Student Portfolios will follow the student all 4 years to show potential employers, military recruiters, or college admissions; individual work and accomplishments.

Homeschool families in the area can connect through Virtual Village and Mrs. Kathleen Ogden(kogden@lgcscsco.org) for enrollment information. These students can enjoy concurrent enrollment and internship opportunities! We encourage any student to join us for Friday field trips and other events for enrichment.
