SCHOOL SPIRIT

On Thursdays, we wear Red & Blue.
Don't forget to wear your LGCS gear on Thursdays for a chance to win a class ice cream party.

YOUTH SUMMIT FIELD TRIP

In September, our Academy (middle/high school students) attended the Youth Summit at Cripple Creek Jr/Sr High. When Lake George arrived, the Cripple Creek highschoolers were very outgoing and welcoming. The day started off with a Meet and Greet with the Cripple Creek students. Meet and Greet was followed by our choice of creative classes. When those classes finished, all the students gathered in the cafeteria for lunch. Classes in the afternoon were on substance use and mental health. The Lake George students said they had an enjoyable experience with the Cripple Creek students and teachers.

NEW TEACHER SPOTLIGHT

MRS. RACHEL - ACADEMY SCIENCE
BY: JAXON MACDONALD

Hi Lake George Charter School! This is an interview of Mrs. Rachel so you get to know more about her. She came to Lake George Charter School because there was a science teacher job open that she wanted and she likes the small class sizes. Plus, bonus, she knew the students. She likes to teach science because it is what she got her degree in. She likes to teach because she likes to help students understand what they are learning. When she is not working, she likes to bake, cook and play with her dogs. She loves dark chocolate, fruit, and goldfish. That is some stuff about Mrs. Rachel but there is so much more, so go talk with her to find out.

LGCS PARENT NEWS

PEBBLE PUPS

Pebble Pups - Earth Science Scholars Program
The program is under the auspices of the Lake George Gem and Mineral Club which is a member club of the Rocky Mountain Federation of Mineralogical Societies and the American Federation of Mineralogical Societies. The program enables participants to have a better understanding of Earth Science as part of their STEM education - and have fun!
Pebble Pups meetings are every 3rd Wednesday from 4:15-5:00.

BOARD MEETING

Monthly Board Meetings:
3rd Tuesday at 5pm.
Elections for the Lake George School Board are in November. If you are interested in running for the Board, please submit a letter of intent to Samantha Bissue.
These must be turned in by Thursday, Oct 5, 2023 at 4:00pm.

CIVIL AIR PATROL

The Civil Air Patrol is a federally chartered non-profit corporation that is also the Air Force auxiliary. CAP's mission is supporting America's communities with emergency response, diverse aviation and ground services, youth development and promotion of air, space and cyber power through aerospace education.

Lake George meets at the Colorado Springs Cadet Squadron on Peterson Space Force Base on Tuesday evenings beginning at 6:30 PM. For more information, contact Chelsea MacDonald:
chelsea.macdonald@cscs.cowg.cap.gov
