## Lion's Pride

We are in full swing planning our annual Halloween Carnival. We will need *lots* of volunteers to make this a fun and successful event. The carnival is our biggest fundraiser. Please contact [lionspride@lgcsco.org](mailto:lionspride@lgcsco.org) for more information.

Thank you to all who participated in our Meet and Greet on Thursday, September 2nd. Stay tuned for more information, as we have lots planned for the school year and we need your help!

### THANK YOU!!!

Thanks to everyone who came to our amazing open house. It was fun watching the kids meet new friends and get reacquainted with old friends.

### VOLUNTEERS

### THANK YOU RICK!

**"I believe in volunteer support."** Recently the word went out that our maintenance folks at Lake George Charter School lacked basic tools needed to do their jobs. In came Rick Favinger with a \$250.00 donation of needed tools in a tool bag attached to a belt he hand crafted! Recently the Lake George Charter School sent the word out that we needed our grass cut. One Saturday, four mowers showed up to help. Through Lion's Pride and other means of communication, we can put the word out to our community for help, donations, or writing for grants. While the Mill Levy will be tremendously helpful, it is our citizens who bring all the resources together to make our Charter School flourish! Thank you Rick! (This picture was taken September 5th by Dr. Wade with Rick and our Maintenance supervisor, Tonia Montgomery. We would also like to give a big **"Thank you"** to Barry and Tara Jensen for their donation of tools and a tool box.

### DEVELOPMENT COMMITTEE

Our Development Committee is dedicated to writing and finding grants. We are determined not to just rely on state or government funding, but with volunteering, seeking donations and fundraising, we will reach our Strategic Goals to expand our school and educational programs and decent salaries for workers.

Submitted Respectfully,

Dr. Lee Ann Wade  
Interim Administrator  
Lake George Charter

### DISMISSAL

Please be aware of our dismissal procedures. Our first priority is to keep the students safe. We request that parents stay in their vehicles, and students enter from the sidewalk or passenger side.

With our increased enrollment, we also have an increase in vehicle traffic. It's extremely important to keep the flow of traffic moving along. Thank you for your continued patience.
