

Support Staff Recruiting/Hiring

Applications of all regular personnel to be employed by the charter school will be processed according to the procedure. Short-term, temporary or interim appointments may be made directly by the administrator, subject to the approval of the Charter Board, without following the advertising procedure.

Background Checks

Prior to hiring and in accordance with state law, the personnel office shall:

1. Conduct a background check through the Colorado Department of Education (CDE/CBI/FBI) to determine the applicant's fitness for employment.

CDE records shall indicate if the applicant has been convicted of, pled *nolo contendere* to, or received a deferred sentence for a felony or misdemeanor crimes involving unlawful sexual behavior, unlawful behavior involving children, or domestic violence. CDE shall provide any available information to indicate whether the applicant has been dismissed by or resigned from a school district as a result of an allegation of unlawful behavior involving a child, including unlawful sexual behavior which was supported by a preponderance of evidence according to information provided to CDE by a school district and confirmed by CDE in accordance with state law. CDE shall also provide information regarding whether the applicant's license or certification has ever been denied, suspended, revoked, or annulled in any state, including but not limited to any information gained as a result of an inquiry to a national information clearinghouse.

Information of this type that is learned from a different source shall be reported by the charter school to CDE.

CDE will not disclose any information reported by a school district unless and until the department confirms that the allegation resulted in the person's name being placed on the state central registry of child protection.

2. Contact previous employers of the applicant to obtain information or recommendations relevant to the applicant's fitness for employment.

Credit Reports

The personnel office will not obtain a credit report on an applicant unless the office has first notified the individual in writing, in a document consisting solely of the notice, that the charter school would like to obtain a credit report and requesting the individual's written authorization to obtain the report. A credit report will only be requested when the applicant submits a written authorization.

The personnel office will not rely on a credit report in denying an application unless the office has first supplied the applicant with a disclosure that includes a copy of the credit report and a summary of the applicant's rights. If an application for employment is denied because of the credit report, the personnel office will give the applicant notice that the action has been taken, as well as:

1. the name, address, and phone number of the credit bureau supplying the report;
2. a statement that the credit bureau was not involved in the decision to deny the application; and
