

BOARD BULLETIN

February 2023, Vol 22

Greetings to the Lake George Charter School Community!

Here is this month's Lake George Charter School Board news:

- The LGCS Board sends a hearty “WELCOME” to our two newest employees; Lynette Swanson, our new School Nurse, and Heather Robison who will be hard at work in the kitchen. We are happy to have them join the LGCS community.
 - The 2023/2024 school year calendar has been approved and will be posted very soon. Thank you to everyone who had input and to our BAC committee for putting that together. Keep an eye out for it on the website.
 - We are looking for more teachers. LGCS is looking to fill the 4th Grade ELA/Math Academy teaching position. Also, in preparation for our expansion to offer higher grades at LGCS, the school is beginning its search to fill multiple teaching positions, including math, science, social studies and others. If you know any qualified teachers for subjects in middle and high school who can help make our wonderful school even better, please encourage them to apply. Details will be available on the school website.
