

School Nutrition Program

The **charter school** will operate a school nutrition program which shall be under the overall supervision of the supervisor of food services.

The supervisor of food services shall cooperate with the school **administrator** in matters essential to the proper functioning of the school's nutrition program. The responsibility for control of students using the school cafeteria shall rest with the building **administrator**.

Nutrition services shall provide hot lunches and breakfasts, through participation in the National School Lunch Program and School Breakfast Program.

The Board shall approve the prices set for meals and the price of milk.
