

# BOARD BULLETIN

October 18, 2022 Vol 19

---

Here are some updates from this month's Board Meeting:

- The Board is pleased to announce that we will be offering a contract to Mr. Rick Favinger as our Owner's Representative for the building expansion project. Mr. Favinger has already spent many hours creating a vision for the Charter School's Expansion. He has also been working with eighth graders on creating a model of what the students would like to see in their new classrooms which will be available to view at the Halloween Carnival. Dr. Wade has also asked carnival attendees to bring dollar bills to show their support of the building expansion; every dollar collected goes to a fund that will potentially be matched with grant funding!
  - Next month's Board Member Election will be canceled. We would like to welcome Amanda Redd and returning member Fred Zuercher, who will fill the 2-year vacancies and will be sworn in at next month's meeting. We still have a 1-year vacancy and will be appointing another new member as required by policy. If anyone is interested in this 1-year position, please submit a letter of interest to Dr. Wade. Thank you to Susan Bernstetter and Michelle Normandin for their service to the board.
  - Be sure your students attend school on October 25th for an educational and fun trip to the Lake George Fire Department to review fire safety. **HUGE THANK YOU** to Camp Alexander for lending us vans to transport students to and from the fire station!
