

Salary Deductions

Deductions shall be made from the paychecks of all employees for retirement and federal and state income tax in keeping with federal and state requirements and Medicare tax if applicable.

Salary deductions shall be made for absences not covered by leave policies adopted by the **Charter Board**. Such deductions shall be calculated on the basis of the employee's work year. Deductions also shall be made for teacher association dues and insurance programs.

All other types of deductions shall require Charter Board approval and permission of the employee.

A limit of 10% of affected employees shall be required before payroll deductions will be made for any one company and/or type of deduction. This shall not apply to current deductions.
