

# BOARD BULLETIN

June 21, 2022 Vol 16

---

## Happy Summer!

We hope this month's Board Bulletin finds you well, and enjoying summer thus far. Although it is summer, rest assured that the board is working towards another great school year! Here are some updates from this month's regularly scheduled board meeting:

- Lake George Charter School is now approved by the Colorado Department of Education (CDE) to provide educational instruction to students from **preschool through twelfth grade!** We are excited to have students signed up for 9th grade this coming fall and are looking forward to our middle school and high school programs growing, both in numbers and in complexity in the coming years. Keep an eye out for a postcard mailer with more details about upcoming STEAM programming in all grades, and additional options for middle and high schoolers! As for the building expansion, our next step is for Park County School District to approve our proposal so that we may next move forward with the next steps and get the project underway.
- We are proud to announce that LGCS has been awarded the **ESSER K-8 Mathematics Curricula & K-3 READ Act Instructional Program Grant!** Special thanks to Ms. Ann Wallace for her extensive work on the grant application and many hours poured into the steps of the process. Our school will receive special funding that will be dedicated to updating our Language Arts and Math Curriculum this fall!
- Enroll now! Registration packets can be found on the school's website, about the middle of the home page. You can download and print the .pdf or come into the school to pick up a packet to be filled out and returned. Please remind friends and neighbors that our school is a *tuition-free* public school with excellent educational opportunities, small class sizes, and great staff! Thank you!

There is no Board Meeting in July, but we assure you we will be working busily over the summer taking care of topics as needed.

Our next regularly scheduled meeting is scheduled for Tuesday, August 16. There will be a work session at 4:30 pm, followed by the board meeting at 5:00 pm.

**HAVE A GREAT SUMMER! SEE YOU SOON!**
