## TEACHER SPOTLIGHT

MS. DETTENRIEDER - JR/SR HIGH ENGLISH LANGUAGE ARTS

BY: ACI HENDERSON

We all would love to know more about our new teachers and want to get to know them, so I sat down with Ms. Dettenrieder to have her tell us about herself. I found out she loves ballet, running and wildlife rehabilitation-as long as it isn't a bear or mountain lion. She even has a clutter of rescue cats. She originally wanted to be a veterinarian rather than a teacher, but lucky for us, she decided she wanted to help make a change in the lives of children and young adults. She has a passion for reading. Good thing since she teaches ELA. Her favorite book is 100 Years of Solitude by Gabriel Garcia Marquez. She already loves the community we have here in Lake George, and is looking forward to being in the modulars soon, so we can have more bathrooms. Please join me in welcoming Ms. Dettenrieder to the Lake George family.

## *Halloween carnival*

The Carnival was a huge success. We are so very thankful for our Lion's Pride for providing us with such an enjoyable time every year. Everyone enjoying themselves truly is a demonstration of a close-knit family community. With our side games like bowling and bobbing for ducks, all ages can entertain themselves. We thank those for putting their time, effort, and money towards our larger activities and fundraisers. We even had a booth this year to support LGCS's first prom ever which we are looking forward to. So we say thank you to our whole community for your support.
