

Hello Lake George Charter School Families and Community!

Since it is that time of year for colds, flu, stomach illnesses and COVID-19, we are asking for parent's help. Please watch for the following symptoms:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

IF your student is exhibiting any of the above symptoms:

- **Keep your child home from school and avoid other activities around other people.**
- Notify the school.
- Seek medical care and guidance.
- You may choose to have your child tested.

We will be working with public health and following their guidelines concerning COVID-19 and these other illnesses. The following steps will be taken if a student, staff, or volunteer has or shows symptoms for COVID-19:

- If a person(s) shows symptoms of COVID-19, they will be kept or sent home from school for 5 days. The 5 days will be counted from when the first symptoms fully appeared.
- If a person(s) tests positive after being sent or kept home because of showing symptoms, they will stay home until having a negative test result. It is suggested to do the follow up test at the end of the 5th day.
- Parents and Guardians will be notified if a case occurs in their student's class.
- Each case will be evaluated and handled on a case-to-case base.
- IF any person(s) who have been in close contact show symptoms or test positive, please contact Kris Snare or Caroline Pyle in the front office immediately.

If you have any further questions or concerns, please contact the school at 719-748-3911.

Thank you,
Lake George Charter School Health Task Force
